

Governor's Report
April 11, 2009

Thanks for the opportunity to serve the Michigan State Chapter of WCR as Governor this year. I have been on the road visiting several chapters this spring including the Lakeshore Chapter governing board meeting and general membership luncheon on March 5th, the Western MI Chapter general membership luncheon on March 12th, Sales Fest sponsored by the Flint and Saginaw Valley Chapters in Frankenmuth on March 26th and the Washtenaw Chapter general membership breakfast on April 10th. Every group has great ideas for programs and I have learned something at each meeting. Membership continues to be a struggle for every chapter but we need to remember to ask for both membership and committee involvement!

I am currently making plans to attend the Rochester governing board meeting on April 23 and the WCR Mid-Year meeting in Washington, D.C.

WCR continues to be the best organization for networking, education and leadership development! Happy spring!
